

CONSULTATION REQUEST TO ALL RESIDENTS OF PRESTON RICHARD PARISH

Hi All,

At the Parish Council meeting on 17th January 2022 there was an item on the agenda which the Parish Council needed input from the residents of our Parish. As no residents were present it was decided we should approach you directly through the media on this matter to gain your ideas and opinions.

We are asking for suggestions as to what improvements you would like to see in our Parish. The suggestions would need to be within the Parish Council's jurisdiction but even if you are unsure of what that is please let us have your ideas or suggestions and we will see if they are possible or perhaps by liaising with District or County Councils, we can make it happen.

It's your Parish so your input is vital for the improvement of the Parish to aid the wellbeing of the residents. We would welcome your thoughts and ideas on the above, you can let us know by approaching one of the Councillors or emailing the Parish Clerk, all contacts on this web site

https://www.prestonrichard.co.uk/?YOUR_PARISH

Many thanks for your time and hopefully for your suggestions.

Ann Park Parish Clerk
