30t December, 2019

Dear Sirs,

Below the report on CIL money receipts and expenditure for December 2019.

Date Received	Received	Spent	Balance
14/04/2019	1400.25		1400.25
11/10/2019	177.00		1577.25

We are currently holding £1577.25 CIL money and after discussing this at the December Parish Council meeting it has been decided we will install a new Street Light at the top of Nuttinghall Lane Endmoor which has been left in darkness after the lit 30mph sign were removed. We have placed an order with Garry Manning of Cumbria County Council after receiving an approximate quote of £1200.

We are also in the process of obtaining quotes for a small patch or tarmac work to be done around the barriers on the footpath between Low Park and the A65 to enable invalid carriages to use the path safely as the alternative is to go on Low Park Lane and Gatebeck Lane which have no footways and is used by many HGV and cars. We did approach CCC and SLDC neither of which could help with this concern.
